Letter No A 475 dt 14.10.48 from the C.M. M.S.Rly stating that the delay in preferring the claim is on the part of the Mnl Council & requests Sanction to pass the arrear claims for Rs 26-10-0 in respect of the ~~one~~ years from 42-43 to 46-47.

4) In the circumstances reported by the C.M. the claim for Rs 26-10-0, may be sanctioned after obtaining a clear bill for the same from the President of the Mnl Council, as the one now received from him is in respect of 47-48.

5) Submit for orders with a draft

6) There seems to be some confusion in the bills. From D.E's letter No 70/SM.ET dated 30/10/47, it is to be seen that i) Tax on building No 1034 is to be claimed from 1943-44 and that on building No 1035 from 45-46

ii) Light Tax is to be claimed a 1/3 rate as discussed.

7) From Bill nos 28 c 30, it is to be observed that the Tax due on building no 1025 from 45-46 onwards is Rs 5/- for 45-46 and Rs 5/- for 46-47. The lighting tax at 1/3 rate amounts to Rs 1-14-0 The amount claimed is Rs 6/14 as against Rs 7/8 The reason for the same is to be ascertained. Again the tax on building no 1034 is claimed from 42-43 instead of 43-44. The reason for this change is to be ascertained. The amount claimed for ~~three~~ four years from 42-43 is Rs 8/10 (House Tax), which works out to Rs 2/14 per year. The Tax for the succeeding year is shown as Rs 5/-. The Cause for change to the higher Tax is not made clear. The Light Tax is claimed is not as per the discussions.

8) It is not cl-

the basis on which bill no 8 is based. The full particulars may be ascertained from Town Municipality, S.M.E.T, on the following lines.

1) From what year the tax is leviable on building nos. 1025 and 1034

2) What is the rate of house tax, lighting tax and education tax on these buildings per year

3) What is the total tax up to end of 1946-47. What is due from the Rp. Estate.

Sir,

Sub: Mohatarfa tax due fr m the Railway Depattment in respect of Railway Gang quarters and Railway Pumping station, Shimogga.

******

I have the honour to state that a sum of Rs.26-10-0 being the arrears in respect of above buildings is due from the Railway department. The arrears relate to the years 42-43 to 46-47. References were made to the District Engineer, Mysore Railways, Bangalore requesting him to pay the arrears in questi He raised an objection stating that he did not receive bills for the tax during the respective years, that the amount cannot be paid now and that sanction f Government may be obtained for the belated payment to be made to the Municipality.

I ~~any~~ may add in this connection that this office has issued bills from time to time and this fact has also been pointed out to the District Engineer, Mysore Railways, Bangalore several times. Inspite of this the arrears have not been adjusted on th ground that sanction Government has to be obtai for payment of the same.

Under these circumstances I request the favour of your obtaining sanction of Government to the payment of the arrears of Rs.26-10-0 legitamately due to the Municipality.

To

Sir,

Mohatarfa tax due in respect of railway gang quarters and Railway Pumping Station, Shimoga.

With reference to your letter No.R.S. 1225 dated 28-8-48 forwarding a copy of letter No.C4-7/47-48 of 3/8/1948 from the President, Town Municipal Council, Shimoga, for my remarks, I write to state that there are no remarks to offer other than what is stated in para 1 of the letter from the President, Town Municipal Council, Shimoga.

Though the claim of the Municipal Council ranges from 42-43 to 46-47, the same was not preferred by them in the respective years but actually preferred only in December 1948 after a lapse of nearly 3 to 4 years. Since the delay is on the part of the Municipal Council in preferring the claims, the District Engineer has requested them to obtain sanction of Government. I also request sanction of Government authorising the Chief Auditor to pass the arrear claims.

The file of records received with your letter is returned herewith.

Yours faithfully,
